GET SET FOR WORK PROGRAM

Get Set for Work helps young people build confidence, skills and pathways into work or study.

GSFW provides support to young people who:

- Are 15-19 years old
- Not currently working, studying, or at risk of disengaging
- Looking to build skills for work, training or further study
- Have significant barriers to learning and employment and require support to overcome these barriers

The program provides **practical guidance, structured activities** and **flexible support** to help participants stay on track and achieve their goals.
